Microsoft Teams User Guide

Microsoft Teams

Quick Start Guide

New to Microsoft Teams? Use this guide to learn the basics.

The screenshot shows the Microsoft Teams application window. On the left is a dark sidebar with navigation icons: Activity, Chat, Teams, Calendar, Calls, Files, and an 'Apps' section at the bottom. The main area is divided into a 'Teams' list on the left and a chat window for the 'Research and Development' team on the right. The chat window shows a message history with text, images, and a file attachment. A right-hand pane shows the profile of 'Megan Bowen' with options to change picture, set status, save messages, and download the mobile app. Various callout boxes with lines pointing to specific UI elements provide instructions on how to use the application.

Microsoft Teams

Sign in

In Windows, click **Start**  > **Microsoft Teams**.

On Mac, go to the **Applications** folder and click **Microsoft Teams**.

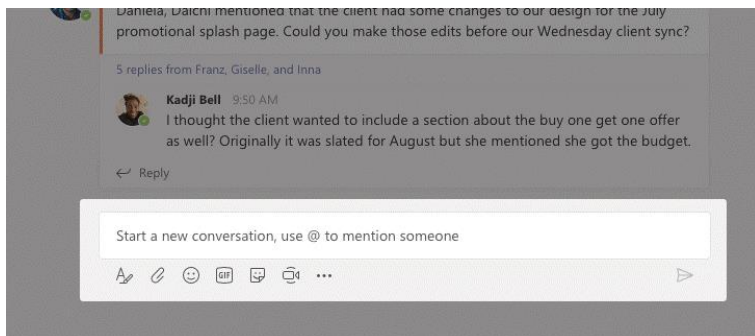

On mobile, tap the **Teams** icon. Then sign in with your Microsoft 365 username and password. (If you're using Teams free, sign in with that username and password.)

Start a conversation

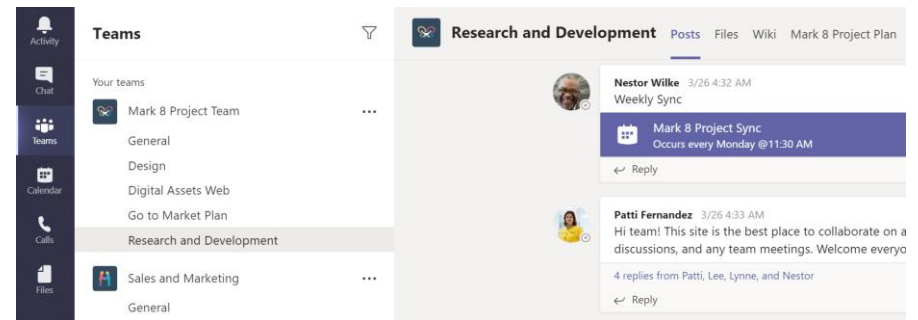

With the whole team... Select **Teams** , pick a team and channel, write your message, and click **Send** .

With a person or group... Click **New chat** , type the name of the person or group in the **To** field, write your message, and click **Send** .

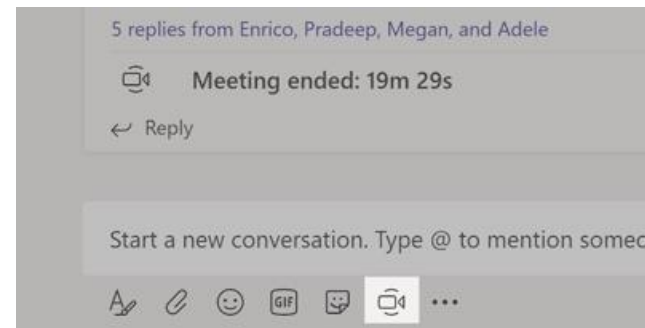

Pick a team and channel

A *team* is a collection of people, conversations, files, and tools—all in one place. A *channel* is a discussion in a team, dedicated to a department, project, or topic. Select **Teams**  and choose a team. Pick a channel to explore **Posts**, **Files**, and other tabs.

Start an impromptu meeting

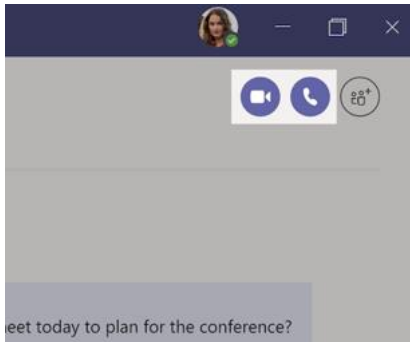

Click **Meet now**  under the area where you type a message to start a meeting in a channel. (If you click **Reply**, then **Meet now** , the meeting is based on that conversation.) Enter a name for the meeting, then start inviting people.

Microsoft Teams

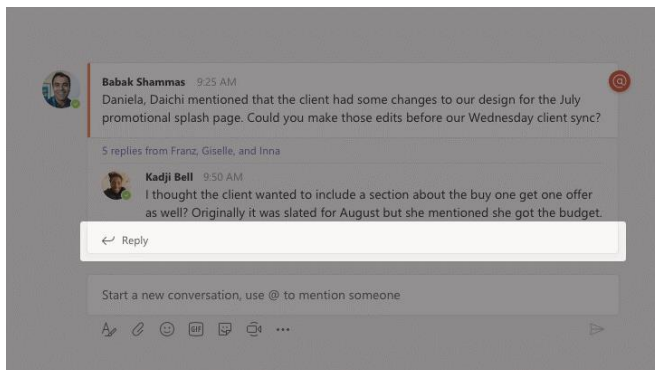

Make video and audio calls

Click **Video call**  or **Audio call**  to call someone from a chat. To dial a number, click **Calls**  on the left and enter a phone number. View your call history and voicemail in the same area.

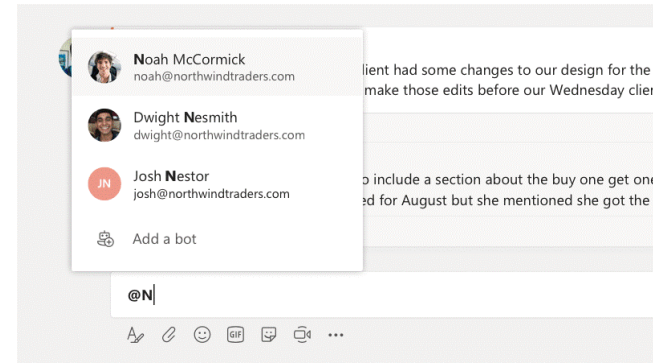

Reply to a post

Channel posts are organized by date and then threaded. Find the thread you want to reply to, then click **Reply**. Add your thoughts and click **Send** .

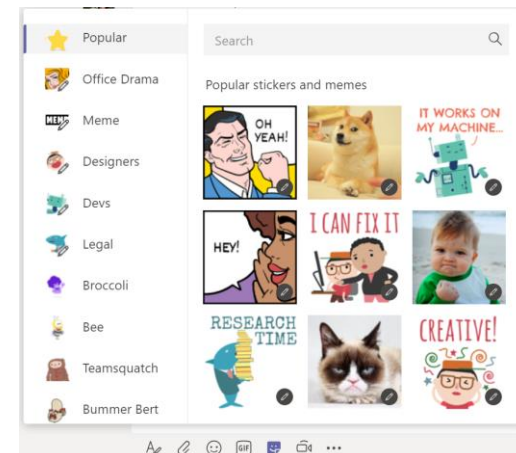

@mention someone

To get someone's attention, type **@**, then their name (or pick them from the list that appears). Type **@team** to message everyone in a team or **@channel** to notify everyone who favorited that channel.

Add an emoji, meme, or GIF

Click **Sticker**  under the box where you type your message, then pick a meme or sticker from one of the categories. There are also buttons for adding an emoji or GIF.

Microsoft Teams

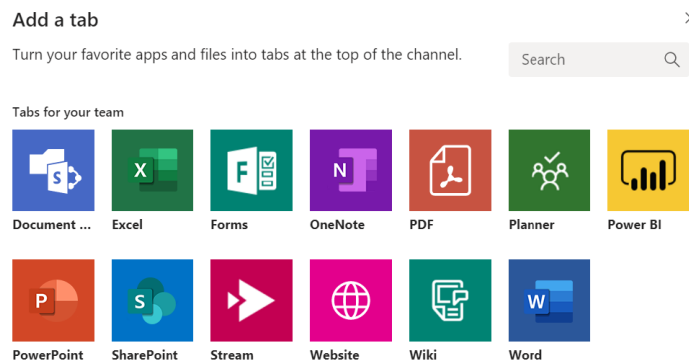

Stay on top of things

Click **Activity**  on the left. The **Feed** shows you all your notifications and everything that's happened lately in the channels you follow. To set up notifications for a channel, choose ... next to the channel name, then **Channel notifications**.

Add a tab in a channel

Click  by the tabs at the top of the channel, click the app you want, and then follow the prompts. Use **Search** if you don't see the app you want.

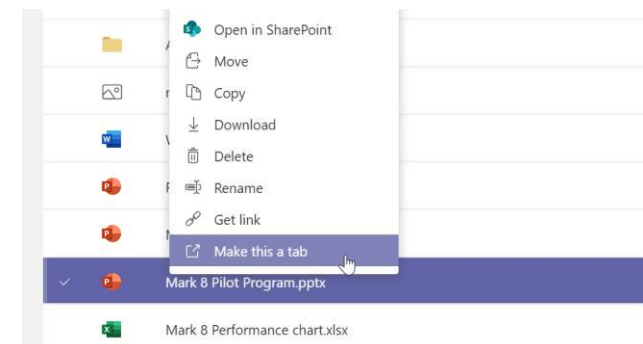

Share a file

Click **Attach**  under the box where you type messages, select the file location and then the file you want. Depending on the location of the file, you'll get options for uploading a copy, sharing a link, or other ways to share.

Work with files

Click **Files**  on the left to see all files shared across all of your *teams*. Click **Files** at the top of a channel to see all files shared in that *channel*. Click **More options ...** next to a file to see what you can do with it. In a channel, you can instantly turn a file into a tab at the top!

Microsoft Teams

Search for stuff

Type a phrase in the command box at the top of the app and press Enter. Then select the **Messages**, **People**, or **Files** tab. Select an item or use the filters to refine your results.

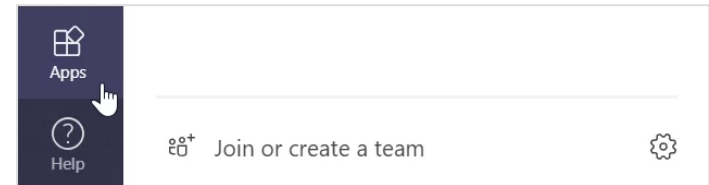

Get help in Teams

Click **Help** on the left, then choose **Topics**, **Training**, or **What's new**. In help, browse the tabs or search for a topic you're interested in.

Add apps

Click **Apps**  on the left. Here, you can select apps you want to use in Teams, choose the appropriate settings, and **Add**.
